

## ***EDUCATIONAL WEBSITE PROJECT***

In this project, we have designed and developed an education website using HTML and CSS. The website is designed to provide information about various courses, online classes, and other educational resources to the students.

Tools and Technologies Used:

1. HTML5
2. CSS3

**Design and Development:** We have started by creating a basic layout of the website using HTML5. We have used HTML5 tags like header, nav, section, article, footer, etc. to structure the website. The website has a responsive design that works well on desktop as well as mobile devices.

After creating the basic layout, we have used CSS3 to add styling to the website. We have used various CSS properties like color, background, font-family, font-size, padding, margin, border, etc. to add styling to the website.

The website has a simple and clean design that makes it easy for the users to navigate and find the information they are looking for. The homepage of the website has a header that contains the logo of the website, a navigation menu that provides links to various sections of the website, and a search bar that allows users to search for courses or classes.

The homepage also has a section that displays featured courses or classes along with their descriptions and images. The website also has a section that displays testimonials from students who have taken courses or classes from the website.

**Conclusion:** In this project, we have designed and developed an education website using HTML and CSS. The website has a simple and clean design that makes it easy for the users to navigate and find the information they are looking for. The website is responsive and works well on desktop as well as mobile devices. This education website can be used as a platform to provide information about various courses, online classes, and other educational resources to the students.

<h1>Welcome to BEC – The Best Engineering College in Chennai</h1>

<p>

Best Engineering College, the best engineering college in Chennai was established with the objective of providing quality technical education with adequate industrial exposure than any other engineering colleges in Chennai, caters the needs of the youth with its innovative teaching methods.

Apart from interactive classroom scenario, periodic guest lectures by experts from industries and academic background provides thirst to the students to learn and to prepare for the ready-to-serve industrial requirements with uncompromised professional ethics.

BEC has been approved by the AICTE, New Delhi, affiliated to Anna University Chennai.

function validateLogin() {
```

```
var username = document.getElementById("username").value;
```

```
var password = document.getElementById("password").value;
```

```
if (username === "myusername" && password === "mypassword") {
```

```
    window.location.href = "dashboard.html";
```

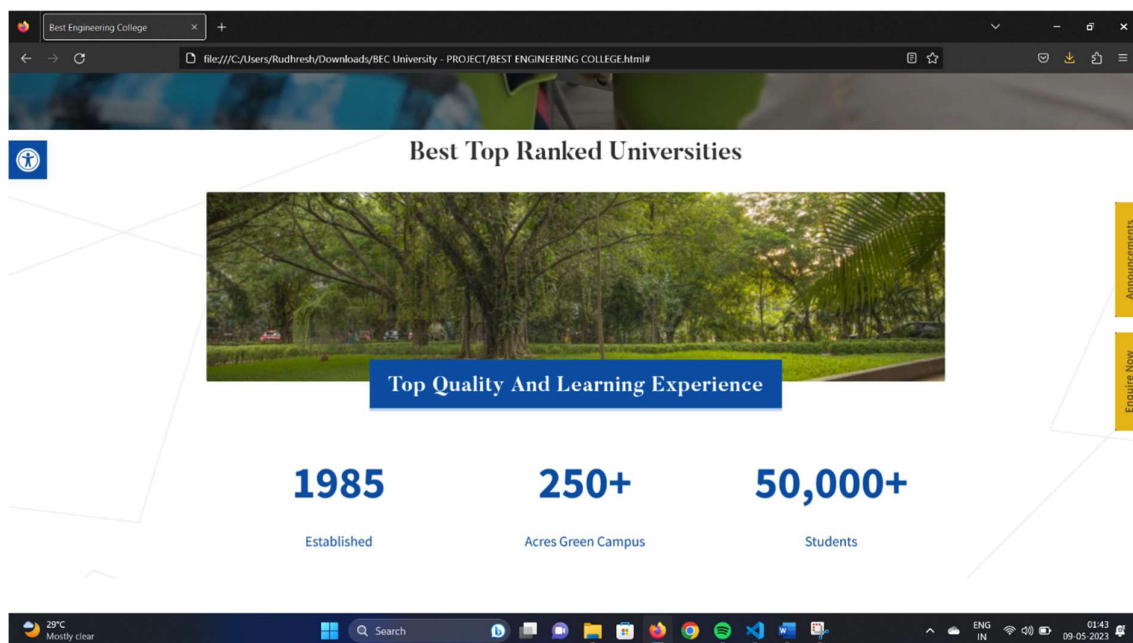

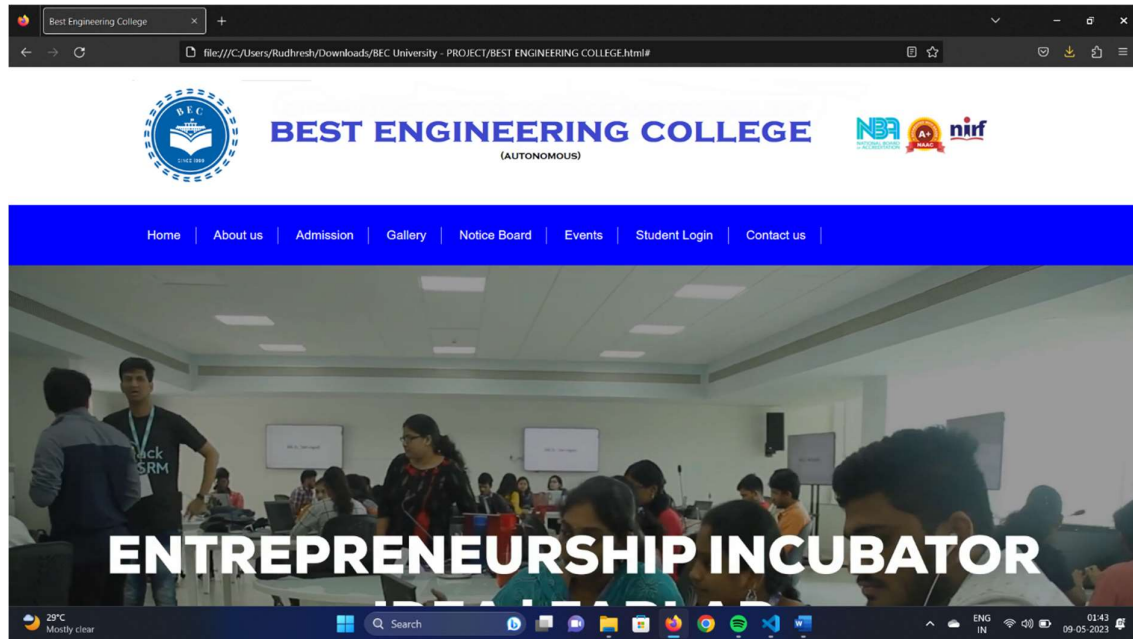

```
} else {
```

```
    document.getElementById("loginError").innerHTML = "Invalid username or password.";
```

```
}
```

```
}
```

## OUTPUT

Best Engineering College

file:///C:/Users/Rudresh/Downloads/BEC University - PROJECT/BEST ENGINEERING COLLEGE.html#

### Campus News

- Student Summer Internship (SSI 2023)
- TN engineering admission
- BEC Incubation Foundation
- BARF - Blind Aided Reading Frame
- Recruitment for Project Fellow- DST Project
- IIT-Madras Incubation Cell
- Applications are invited from qualified candidates for the post of Junior Research Fellow (JRF)

### Events

- Cultural Events 2023
- National Level Technical Symposium
- G20 Event
- Career Guidance Event for 2nd year students
- Computer Science department Symposium
- Last year Cultural event
- Inaguration program for next batch students

### Notice Boards

- Discontinue Process 2022-23
- First Year Class Advisor List-2022-23
- Scholarship
- Department wise list of Staff In-Charge for NBA Related Works
- Department wise list of Staff In-Charge for NAAC Related Works
- Department wise list of Major Research Teams
- List of Staff In-Charge for Monitoring and Ensuring the Cleanliness of the Department

## Welcome to BEC – The Best Engineering College in Chennai

Best Engineering College, the best engineering college in Chennai was established with the objective of providing quality technical education with adequate industrial exposure than any other engineering colleges in Chennai, caters the needs of the youth with its innovative teaching methods. Apart from interactive classroom scenario, periodic guest lectures by experts from industries and academic background provides thirst to the students to learn and to prepare for the ready-to-serve industrial requirements with

uncompromised professional ethics. BEC has been approved by the AICTE, New Delhi, affiliated to Anna University Chennai.

## Alumni Testimonials

Best Engineering college is the place where seniors and juniors work hand in hand bringing laurels by winning various competitions across the globe.

**Sree Sahaana**  
Full Stack Web Developer

I am grateful to this institution which has given me the chance to strengthen my personality, identify my weakness and has led to my holistic development

**Ruthresh**  
Mem Stack Developer

My experience at GERMANY, in general has been really good, experience at German Technology Centers including Mercedes Benz, Aero Museum etc.

#### UG Courses

NBA Accredited Courses

- B.E. Mechanical Engineering
- B.E. Computer Science and Engineering
- B.E. Electronics and Communication Engineering
- B.E. Electrical and Electronics Engineering
- B.E. Mechatronics Engineering

- B.E. Civil Engineering
- B.E. Biomedical Engineering
- B.E. CSE (Cyber Security)
- B.E. CSE / Artificial Intelligence & Machine Learning
- B.Tech. Information Technology
- B.Tech. Artificial Intelligence and Data Science
- B.Tech. Computer Science and Business Systems

#### PG Courses

- M.E. CAD / CAM
- M.E. Computer Science and Engineering
- M.E. Applied Electronics
- Ph.D
